My Atma You Are Eternally Awake

How Could I Even Think Of Waking You

You Are All The Time In This Human Form of Mine

I Take For Granted You Are There

Never Do I Think Of You Even When Resting

Like A Divine Mother You Care For Me

Now I Am Conscious I am Awake

With All My Respect , I Pray To Wake You

The Rightful Way To Wake You Is To Call My Name

With Every Cell In My Body I Call My Name

Wake Up And Be With Us And Guide Us

Let Every Cell In My Body Be In Good Health

Let them All, Perform Their Duties Well

Your Watchful Presence Will Make Me A Human

Pure With Rightful Thinking And Action

I Recognize You As The Divine Residing In Me
