

*So Understand This, Why Your Soul, Your Atma That Is Within You Is So Important Because It Is The Life-Force That Makes Your Physical-Form To Function!*

Divine blessings, My children.  
Come.

My children, what you have done today is a 'Sacred Bath', remembering the Sun to be on Earth in the form of a crystal on top of a 'Wooden Platform', a wooden tree trunk for the tree trunk represents the Unity with Divine Mother Earth, with Mother Nature and then the Sun.

The Sun is the Life-Force for the Solar System, My children.

And it is the Sun that gives you that Life-Force within you, which means your Atma, your Soul, your Jiwa.

My children, it is important everyone to take part.

But you would have seen some taking part a little more than the others.

No, My children, that's not the way.

You can't have everyone taking part at the same time.

That is why some were inside helping, which means the strength of the Energy that you gained or the Power that you gained by doing this 'Sacred Bath' is the same, whether you poured whatever you have poured on the top of the crystal, whether you poured the quantity is just a drop of water or you have poured several containers of water, it is the same.

The measurement of Energy or Power that you gain is what your Soul decides within Yourself, My children.

**So understand this, why your Soul, your Atma that is within you is so important because it is the Life-Force that makes your Physical-Form to function.**

**So you must remember, I have told you to call your name so that your Soul comes to you and your Soul is with you in all your decisions that you make.**

**But all the time you are making decision that have come from the five (5) senses that has gone outside Yourself and then it brings a sensation to within Yourself.**

**So what you are doing is you are making a decision with your Mind.**

**The Mind makes only a decision with all the experiences the life has undergone from the Time of Creation in that Divine Altar of your Mother, the Uterus, till that very moment, My children.**

All these experience are kept within your brain and by these sensations coming within the brain takes a decision.

But what is most important is, you must take a decision, not just with your Mind, but you must take it with your Atma or Soul, My children because then you find your Soul takes a decision which is very human, My children.

Human decisions come with emotions and feelings.

It comes with an instinct.

It comes with an intuition, not just from the five (5) senses the information has come to you.

So be very careful, My children.

All of you may think why only we have done this and not all Mankind in all parts of Divine Mother Earth?

It just takes one leader, My children, one true, pure human being who is a Self-Realised Divine Soul to bring about the changes on Divine Mother Earth among Mankind.

That is what Jesus did.

That is what Prophet Mohammad did.

That is what Guru Nanak did.

That is what Krishna did or Buddha did or you can take anyone, My children.

So it takes only a few individuals like you to be present, to recognize the Sun and perform the sacred bath to the Sun.

You can't even dream of looking at the Sun in a closer way, My children.

Even when the telescope that you see, you are only cheating Yourself in seeing the Sun.

What you see with your naked eyes is what is the Sun.

So look, My children.

Here, you are bringing the Sun to Divine Mother Earth and thinking of the Sun being there in the form of a crystal and you do a Prayer.

All Universal Forms must be recognized, My children.

It is not the Prayer, it is you recognize them.

In the same way, you must recognize Divine Mother Earth.

It is one of the 'Nine (9) Powers'.

You must recognize the Moon.

It is again another Power.

You must recognize the Sun.

It's another Power.

And you must recognize the Universe.

And all these Powers are outside you, My children.

The Powers that are with you and that has brought you to Divine Mother Earth is your Ancestors Power, your Parents, My children.

They brought you.

They give you, now you are going inwards.  
 They brought this Physical-Form, the Self.  
 They brought the Mind Power.  
 They brought the Atmic Power or the Atma within you.  
 They brought the Divine Power.  
 The Divine Power, you can't and no one has seen the Divine, no one is seeing the Divine and no one will see the Divine even in the future, My children, for you are a drop of the Divine.  
 So you must understand the Divine is the Atma that is within you, My children.  
 That is the Truth.  
 You can't change this Truth of the Atma and the Divine.  
 All other forms keep changing.

The only form that never change, that will always be there is your Atma and the Divine, Existence.  
 The Universe has a boundary but the Divine does not have a boundary.  
 That is what 'My signature' signifies, My children.  
 And the dot that is within is you, My children.  
 Thus, you are the Divine for Me.  
 That is how I look at each and every one of you.  
 When I speak I speak to your Atma, not to your Physical-Form.  
 No, My children, not to any one of your senses for they will never understand Me.  
 It is only the Soul that is within you understands Me, My children.

Yes, My son, just five (5) Bhajans, not more than that, then the AM followed by the DM.  
 I will have to feed Yourself, My children and your food is ready.  
 All of you must have the Prasad before you go.  
 The children all are very hungry.  
 I am sorry I have delayed you.  
 In a few months you will see the growth of 'Atma Murthy'.  
 If you go to your neighbouring country, Thailand, you will see 'Atma Murthy's' photographs all over, My children.  
 In the same way, 'Atma Murthy' will take different forms and you will recognize the 'Atma Murthy' wherever you are, My children.  
 The Soul Statue will grow all over the World.  
 It is because you have a Soul within you.  
 It is the Atma within you that grows, My children.  
 Divine blessing, My children.  
 Go and have your Prasad.  
 And all of you will collect your 'Atmic Yoga Calendar' too.  
 Yes, every family first.

And when the production, more of the calendars come, then all of you will have one because I want each and every one of you to have one for you have to fill your name here My children, your Parents' name and your Grandparents' name.  
 It's very important.  
 Come, all these have My Blessings.  
 Anandam, My children.  
 Go, go and have your food.
