

You Always Must Take Part In Functions, In Celebrations, In Festivals, So That There Is An Exchange Of Energy Between One Another!

Mankind is changing, My children. He is changing a little too fast. The Life that you are leading now is very 'uncertain'. Even in the same day you do not know what is happening for the technology has taken Man to a different level. You are not like your grandparents or your great-great-grandparents.

Today, you think and react in a very different way for you know the news that is happening all around the World in an instant. All that you have to do is to make use of the 'technological advancement' that is taking place. Be careful, My children, always be a human being.

Meet everyone face to face when the Energy, 'human energy' is exchanged between you, when your Soul is so happy to meet other Souls. You must live with the Atma or Soul that is within you. And I have always taught you to call your name. Live with your Soul. Then you will find living on Earth becomes interesting for you have given a fixed Time to live on Divine Mother Earth. You do not know when you are going to leave for it is the Soul that takes the decision when to leave and when to come back again, not in this Physical-Form but it takes another form in any part of the Universe.

You always must take part in functions, in celebrations, in festivals, so that there is an 'Exchange of Energy' between one another. Yes, My children. Today, Man has gone to the Material world and he does not want to see himself within. The Material world is full of anger, hatred, jealousy, greed and ego. It is only when you go within Yourself then you find Love, Truth and Righteousness.

Anandam, My children.
Anandam.
Prasad.

All what you are doing today, My children, is lighting up that Atma within. That is what 'Deepavali' means. But this is not understood by Mankind. Anandam.
