

*He Fails To Understand A United Prayer
In A Country Is More Powerful Than The
Most Destructive Weapons Man Will
Ever Produce!*

Man in the Material world, it should be 'Man on Earth' leads a Material Life and at all time in a negative attitude.

He is full of negative ego.

Jealous of what others have.

Anger, trying to prove his point by his displeasure, hatred, always others are wrong.

By his negative strength always to be stronger than the others.

He always feels he should be the most powerful individual and Man carries all these qualities to his family, the community as a whole and the country where he lives.

And he is always ready to win the other by showing his power of destruction.

With this quality of destruction and desire to have more.

To rule the others, Man destroys himself.

He fails to understand a 'United Prayer' in a country is more powerful than the most destructive weapons Man will ever produce.

In the same way if he does a prayer to himself looking at his own Atma, he will win all the destructive qualities that are with him.

A 'Mantra' is like a 'missile', and if it is chanted in one breath by the respectful citizens of a country, even the most powerful weapon of destruction will become a 'Divine Weapon of Construction and Growth'.
