

The Cave, Where You Get Whatever You Want!

You have come to a cave, cave is not an Ashram.

The cave, where you get whatever you want. You can't get things from anywhere else, it is only Sai have got things from the Chitravati river and the wishful tree.

There was a cave in a Puttaparthi itself, where if you go down, then you will see all the Divine Rishis and the Yogies of the Past discussing of the happenings of the Universe with Satya Sai Baba.

Here you see many things appearing.

From where do they come from, it is the question?

They have to come from deep down, from Divine Mother Earth and they keep coming and they will keep coming.

This place should never be changed, for once the change takes place then they will not be here.

This is a reason, My children, this is a Very Highly Spiritual Cave where you come and very sincerely, if you ask for what you need especially the internal transformation of Yourself, it will take place.

For it is the Atma within you that is the Divine and you have to learn to live with the Divine and not with your Mind, My children.

The Material world will only teach you anger, hatred, jealousy, greed and ego - but when you go within Yourself and live with your Atma or Soul or Jiwa within you, then you transform to be full of Love, Truth, Righteousness, for Peace and Non-Violence is part of it.

This place is always well-blessed.

Divine blessing, My children.

Divine blessing.

Divine blessing.
