

Do A Good Turn Every Day, In The Morning, Afternoon, Evening, In The Present Time, Just Do It!

Divine blessings, My children.
Today you have done for 2017, the first Poornima Prayer.
It has been very well received.
And you must understand today is Vivekananda's birthday too.
Such a great Soul.
And today you have witness the Prayer to Shiva in this Lighting form.
You do not know what you have witness, My children and you will never witness this again in your Lifetime.
It won't be done, not only here but anywhere.
They don't do it in front of the individuals.
It is always done at midnight.
When the Water is poured, the sparks travel in all directions, My children.

It is very frightening and everyone thinks it is being done for a negative reason.
No, My children.
It's a very strong positive reason, reason it is done, so that the Light travels to the other end of the Universe but the Universe has a boundary.
The Divine does not have a boundary.
You have to reach the Divine, not by going outward, go within Yourself.
The Divine stays in you as your Atma, the Soul or the Jiwa.
The Divine is so near to you, but you go round looking for the Divine.
Why, My children?
Why?
Why?
Why?
Go with this.
The easiest Mantra (*Prayer*) is your name.
Yes, call your name.
You will be with the Divine.
The Divine is your Atma.
In human Form, the Divine is there in every cell, every micro, micro, micro cell, and in the biggest of the biggest, for the Divine keeps the Universe within itself.
My children, whenever such a thing happen when Prayer is done, carefully note and keep.
Today, it will not interest, it will not interest you at all; but as Time goes on and certain happenings that takes place in your Life, then you will recollect what was said in the Prayer.
All the Prayer that I do is nothing new, My children.
It's all old, and old, and old, and old, repeated a million or a trillion times.

But to you, it is new for you have a Lifespan which is fixed by the number of breath that you take, not by the number of years, My children, by the number of Prana.

In, out.

In, out.

It's a number kept for you and as soon as the number comes, no one can stop it, not even the Divine will make a move to stop it.

It can be stopped or it can be lengthen much, much earlier by the service that you do.

That is why it's said Love all, Serve all, My children.

If you do service, then you are accumulating wealth.

The wealth is the grace and the grace is what you need when you have a negative happening.

The grace is, it immediately comes and pours on it and you find you become again positive.

So, you see, you have to have a saving's bank, My children.

Do all the good.

Go and be fair to everyone.

Do a good turn every day, in the morning, afternoon, evening, in the Present Time, just do it.

Like how you poured Water all around.

You cleaned.

You brought and gave flowers.

It is again a grace, My children.

For you, it was the Divine that you offered the flowers.

All these are important.

Work towards the Divine.

Ask the Divine to be with you, within Yourself.

And when you are in a problem, the Divine will definitely help you, My children.

Divine doesn't discriminate you, even if you are a liar, you are a murderer, you are a sinner, even then, the Divine will definitely help you to make you a better individual, transform you from within.

The Prayer that you saw here for this Lightening, you may think, it's just the piece of iron with sharp pointedness then the lightening type of waves that's going up.

Yes, My children.

When you are purified and a day comes when you come here, you will see the Light going upwards all the time, spreading and spreading and spreading.

That is called 'Shiva Sakthi' or 'OMm Sakthi'.

Anandam (*Blessings*), My children.

Anandam (*Blessings*).

Anandam (*Blessings*).

Anandam (*Blessings*).

My Prasad.
Anandam (*Blessings*).
