

Always When You Call Your Name, Help Will Come!

Divine blessings, My children.
Look at each of you, you have never taken time to look at Yourself, your Physical-Form to see what is wrong with your Physical-Form, for your health must always be good.
Whenever there is a small problem, you must get Yourself treated.
Yes.

The best treatment is call your name, then tell your Soul that, 'I am not feeling well, I have a pain here. I am unable to see. I am finding it difficult to walk.'

Whatever is your problem talk to Yourself, My children first before you approach even anyone of your Parents or your siblings or your friends.

It is very important for you to ask Yourself, especially in this 'Kali Yuga'.

In a Kali Yuga there is no one who is good, not even your Parents, not even the children.

That is the World that you are living in today.

You have to find Yourself and question Yourself and move towards the right thinking, the right doing.

Yes, My children, it is only then will Love, Truth and Righteousness come.

A new year is born, all of you are very happy, trying to use the best of your clothes.

No, My children, it is not these clothes that counts, it is how clean your Mind is, how clean your thinking is, how friendly you are, how forgiving you are, how you will go forward with every individual around you.

Yes.

You must try to understand the other individual's difficulty, not just trying to understand yours, and thinking that the other is trying to con you or trying to cheat you.

No, My children.

Always when you call your name, help will come.

How it comes, you do not know.

It is like how today, 'G' got into the taxi.

Yes, the poor man wished Him a happy new year, He returned the wish.

And as they were traveling, he said, my sister got 11 As, and she can't get her place.

Yes.

That is the request and he never ask 'G' for anything.

He just said we are trying to find, because I have got two more sisters and I do not know what to do.

Yes, and he said, 'Sai Ram' too.

Yes.

He drove for a distance, and then there was huge traffic jam.

Yes, My children.

He was trying to get his sister to find out what she intends to do.

Yes, My children.

As he was doing it, there came the answer to him that his daughter, that his sister will get the scholarship, and the scholarship will be given by Me.

Now, you understand, if I have to give the scholarship, it has to be a big one, My children, but you do not know how the scholarship will come.

The government itself will give at the right time.

You have to make the first move.

You have to call for it.

You have to ask for it, then you find the help will come, and when it is My help, it comes from different Directions, My children, with the different Speed and the different Time.

The Time is 'My Time'.

All of you need help, at the right time.

Let it be that it is just a measure of time that have passed, and the time that will come about in a near Future.

You are looking forward for now on for the next, but within that Time, I will bring each and every one of you to the right place.

That is the Direction, My children.

It is at My Speed and My Time.

Do not worry, you are the lucky chosen ones to be here with Me.

Yes, you do not have to worry at all ABC.

Just do your work, and you will get all the scolding from your uncle.

You may call Him by any name but He has given you a very big responsibility, the 'Atma Temple'.

Build it in the best of your architectural imagination.

All of you will be fine.

Your eyes will improve, My child.

There is nothing for you to fear.

Go.

Human touch must be there, the rest all will be done by Me.

Why do you worry?

Everything will be fine.

Marriages are going to take place very soon.

Anandam (*Blessings*).

Notes:

Soul's Questions To Yourself:
