

***Let Your Life On Divine Mother Earth  
Be Smooth & Comfortable & Pure With  
Full Of Love, Truth & Righteousness!***

Divine blessings, My children.

Today is the full Moon, full Moon always signifies that the tide will be high.

It also makes your Mind to be very positive, to be pure, to be full of Love, Truth & Righteousness.

From today, all those who are present here, make a note, take a ringgit note-write there, today's date and write there-it is full Moon, even the Time, the Time that you will write will be 07:30 pm.

For the next seven (7) years, not one (1), two (2), My children, for seven (7) years that everything is going to be well for you, and all of you will be very happy, all the time good news keeps coming.

Problems which have been troubling you for a very long time will all get resolved, solved and success will always be there with the blessing of the Divine.

Surrender Yourself to the Divine so that when your Atma leaves your Physical-Form, it moves very smoothly.

**Let your Life on Divine Mother Earth be smooth and comfortable and pure with full of Love, Truth and Righteousness.**

Whenever you have a problem which you think it is disturbing you come and offer just one leaf My child, do not bring so much of flowers, just one leaf, come and place and go.

It will be solved, because the whole of Creation belongs to the Divine.

What do you want to give the Divine?

Demand from the Divine for help, and help will always be given.

That is why you pray to a Higher Form than you are, that is the Divine.

You have the Divine within you as your Soul or Atma.

All of you are well blessed today, My children.

Divine blessing.

Divine blessing.

Divine blessing.

It must be transcribed and given to 'G' tomorrow.
